

I think I am a lucky person to have met you in the year I joined custom house. I used to enjoy all of your talks and discussions in the van, every day. Me being a person with great love for Tamil, I simply used to be immersed in your Tamil discussions. When I had a chance to work with you, especially in Kailash CFS, also after my health problems, the talks that you used to give, how to cope and live with a disease, disability, really had and also has a great impact on me till now.

Once again in 2010 I was honoured by you reading my palm, and again giving me encouraging words. Joining me in your ilakkia avai, thadakam is something for which I am very thankful, as I am able to enjoy the Tamil kavis, all our Tamil literature iniavai narpathu, thirikadukam, I wish you a very happy, peaceful life with your wife, sons and family. I also wish that you contribute many more kavithai.

தங்களுடைய பணிநிறைவு மடல் மிக
அருமையாக உள்ளது. எல்லா பண்டிகை
களுக்கும் விழாக்களுக்கும் தாங்கள்
இயற்றும் கவிதை மடல்கள் தான்
விழாக்கோலம் அளிக்கும். சீரிளம் தமிழுடன்
மேன்மேலும் உயர்ந்தோங்கி வளர்க என பணிவுடன் வாழ்த்துகிறேன்
